COLLEGE POLICY RE FEES (taken from the College Fees Policy)
The College fees are determined each year by the Provincial and Council of the Marist Brothers detailing tuition, boarding and other costs. The College expects that all fees are to be paid promptly by the due date as indicated on each account. In rare cases, which require evidence of actual financial over-burden, provision exists for extensions of time for payment or some consideration of amounts, but only when the Headmaster is accorded the courtesy of immediate contact from parents/guardians to explain circumstances in detail and to make alternative arrangements. Compassion for, and support of families in special circumstances, will always be a priority. It is unreasonable and unjust to other families however, to ignore fee accounts or to fail to contact the College promptly when problems affecting payment may arise. Enrolment may be terminated in the face of ongoing discourtesy or without the development of a sustainable repayment plan.
