INTRODUCTION
Datacom specialises in supplying solutions to the education sector throughout Australia and New Zealand. This year, we are very pleased to have been selected as the preferred partner for the Marist College BYOD program. We look forward to working with the staff and families involved with this program which leads the way for the use of technology in the classroom.

**Your Device Options**

Datacom in conjunction with Marist College Staff have worked very hard to ensure that we supply devices designed to provide students with the best access possible to learning. The College has selected machines from Apple and HP as the preferred vendors, providing you with a range of devices types and prices. These devices are business grade machines and are renowned for their quality and reliability.

**Apple**

Two MacBook Air and two MacBook Pro models with 3 years extended apple warranty and an ADP option have been selected for the program and are as follows:

Protecting your investment – warranty & insurance

All devices come with a 3 years onsite warranty, the start date of this warranty and any ADP protection purchased is the date of delivery, which is the day your son receives his device.

At school, on the way to school and during normal day to day use your device may be at risk from accidental damage. You will find an option for either accidental damage protection or in the case of the Apple Machine’s, Protecsure insurance. Datacom are Authorised to carry out repairs on the machines locally and within a timely manner.

For the program insurance or accidental damage the excess cost per claim is as follows.

1. HP per claim excess is $60.50
2. For Apple per claim excess is $150.00

Please note that an approved bag is required to be purchased if you choose to select an insurance option.

PAYMENT METHODS

Payment is made directly to Datacom via our secure payment facility. We accept VISA, VISA Debit, Mastercard, Debit Mastercard and AMEX. Please note that a surcharge of 4% applies for AMEX only.

Datacom do not offer finance however there are a number of providers that will offer 6 months interest free for the purchase. An example of this would be GEM finance http://www.gemvisa.com.au/apply.html.

Disclaimer: Datacom are not associated or affiliated with any financial institution or any other credit card provider. Any transaction is purely between your chosen finance provider and yourself and you are advised to read the disclosure statement and terms and conditions from the provider that you have selected.
HOW TO ORDER

Step One

To begin, you must open a new web browser window on your computer. Once ready, please type into the address bar:

Access Key: maristcollege
PIN: Ashgrove4060
Step Two

Click on to either Apple or HP and then click onto the products to see detailed specifications and ADP insurance options.
Step Three

When you have chosen your device click on “add to cart”. Then click on to the “item” basket in the top left hand corner and then “checkout” to purchase your device:

You will then be shown your shopping cart and if correct please click on “Place Order”
**Step Four**

You will then be directed to the checkout where you can purchase your device.
