1. All students who have instrumental/vocal lessons at the College are required to participate in at least one of the co-curricular ensembles.

2. Lessons are organised on a term basis, with the aim to provide a minimum of thirty lessons per year.

3. Instrumental and vocal lessons are usually conducted with individual students, however small group (maximum 3 students) instruction is available on most instruments. Large group (maximum 5 students) music theory lessons are available. Piano instruction is only available as individual lessons.

4. A report on student progress will be provided at the conclusion of each semester.
5. Enrolment in lessons carries over in to successive years until a student graduates or a cancellation form is completed.

6. Due to the involvement of all Year 5 students in the Year 5 Band and Strings program, students wishing to commence guitar lessons at the College as a beginner will only be able to do so from the start of Year 6. Students who have already commenced lessons in Year 4 or earlier may continue lessons in Year 5 at the College.

**Fees**

1. The cost of individual lessons is $32.50 per half-hour lesson or $65 per hour lesson.

2. The cost of half-hour small group lessons is $18 per student. Groups consist of a maximum of three students.

3. The cost of half-hour large group theory lesson is $12 per student.

4. The College will forward the Music lesson invoices with College fees at the end of each term. The invoice will be for the number of lessons scheduled throughout the term.

5. The fees are determined in accordance with the Music Teacher’s Association of Queensland guidelines and are reviewed annually.

6. Students preparing for examinations or other solo performances will also be required to pay fees for the examination and use of an accompanist.

**Lesson Timetables**

1. Timetables are posted on the music website ([www.marash.qld.edu.au/music/timetables](http://www.marash.qld.edu.au/music/timetables)), music centre notice board and Junior School notice board each Friday afternoon for the following week’s lessons. Timetables are also emailed to the students College email address as well as the parents/guardians email address.

2. Due to the 10 day College timetable and to avoid students being absent from the same classroom lesson each week, instrumental lessons will be scheduled on the same weekday but lesson times will change each week.
3. A limited number of outside of school hours lessons are available with priority being given to senior students.

4. It is the responsibility of the student to check their lesson times for the following week and write their lesson time onto the Music Lesson Record at the back of the College diary. Students must bring their diary to each lesson to be signed by the instrumental teacher. Students will not be given a lesson without their diary.

**Student Absences**

1. It is the responsibility of the student/parents to **notify the music department of intending absences 24 hours in advance, or in the case of sickness, on the day of the lesson.** Upon notification an attempt will be made to reschedule the lesson. Notification is preferred in writing by emailing musicstaff@marash.qld.edu.au. Alternatively, in the case of sickness, parents can call the College absentee line requesting the Music department be notified of the absence clearly stating that the student has a scheduled instrumental lesson on that day.

2. Lessons missed by students without 24 hours prior notice or adequate excuse will forfeit the cost of the missed lesson and the lesson will not be rescheduled.

3. Where a student misses a lesson as a result of a College event (e.g. an excursion or an exam), the music department will attempt to reschedule the lesson if prior notice in accordance with the above has been given.

4. Notices are emailed to parents if a student has missed a lesson without adequate excuses.

5. Students must have all relevant equipment, ie instrument, music and diary, to attend their lesson. If a student regularly does not have this equipment they will be sent back to their regular class, an email sent to parents and the lesson will be forfeited.

**Termination of Lessons**

1. On commencing lessons, students are required to complete a minimum of one term’s study. Should parents decide to withdraw their son from
instrumental/vocal lessons it is necessary that such notice of withdrawal should be stated using the Cancellation of Enrolment form addressed to the Coordinator of Instrumental Music. Although parents and teachers are encouraged to communicate with each other concerning a student’s progress, please note that the communication concerning withdrawal from lessons is with the Coordinator of Instrumental Music and in writing.

2. **Cancellations will be processed at the end of term only.** Mid term cancellations will not be accepted. Where notification of withdrawal has not been received by the end of a term, payment is required in full for the following term, even if the student does not wish to take the lessons. This allows the College to meet its contractual obligations with part-time instrumental/vocal staff.

### Instruments

The College has a limited number of instruments that are available for loan. Students in the Year 5 program are loaned an instrument for one year. The only instruments available for loan after Year 5 are: oboe, bassoon, tuba, euphonium, French horn, baritone saxophone and bass clarinet. All other instruments are to be supplied by the student.

#### Recommended Brands/Models

Listed below are the brands and models of instruments which are recommended for beginner students. While these recommended instrument brands may in some cases be a little more expensive initially, as with anything you get what you pay for. While it is tempting to purchase a cheaper alternative, often the enjoyment and progress of a student can be severely hindered by a substandard instrument. These brands over time have proven to be more durable and robust and they also tend to have very good resale value.

If you have access to another brand of instrument or a second hand instrument, please contact the music department before you buy. We are always happy to check the suitability of an instrument.

#### Strings

Arco, Capriccio, Cantabile, Amore, Onyx (brands of string instruments vary between shops but are often the same instrument as the shop itself have their own branded instruments. The above brands are intended as a guideline)

Performance Ensembles

Marist College Ashgrove Music Department currently offers participation in a wide variety of large ensembles and various chamber groups and smaller ensembles. Large ensembles include a Symphony Orchestra, String Ensembles, Vocal Ensembles, Wind Bands, Big Bands, Guitar Ensembles and Percussion Ensembles.

Students need to be aware that as a condition of enrolment (point E), the College expects if a student has ability in a co-curricular activity and this activity is offered at the College he would be expected to contribute by representing the College. Participation in College co-curricular activities takes precedence over outside of College activities.
**Performances**

Proposed dates for the year are posted in the Music Calendar, on the Music website and in the College calendar at the beginning of the College year. As much forward notice as possible is also given of a special event, such as requests to play for concerts, festivals, etc., through the Music website, College newsletter and music department concert calendar. Any College commitment must take priority over a commitment with an outside group.

**Uniforms**

All students enrolled in lessons at the College will be required to be a member of an Instrumental Ensemble once they have reached a suitable level. Every College ensemble wears the performance uniform when they are
- Black dress trousers
- Black Music performance shirt (available from College uniform shop)
- Black school shoes
- Black socks
- Black Belt

**Assessment**

A report on student progress will be provided at the conclusion of each semester. The report will include assessment of musicality, technique, knowledge and understanding as assessed by the instrumental/vocal teacher.

**External Examinations/Competitions**

Students are encouraged to develop their performance skills as much as possible. Competing in a competition or sitting for an external exam can achieve further incentives. The decision to compete or enter an examination is individual and should be made in consultation with the teacher. The teacher will not enter the student for any examination or competition without the student’s consent; but the student and parent should accept the teacher’s opinion as to what examinations and competitions are suitable at each stage of the student’s progress.
Music Camps

To maintain the College’s high standard of musical performance, each year a music camp is held on the first weekend of term 1. This camp provides students with an intensive weekend of musical and social activities to prepare for the numerous performances throughout the year. Attendance at music camp is by invitation only upon selection into one of the College's flagship ensembles.
