From the Head of Sport

At Wednesday's first College assembly we welcomed our new Year 5 and 7 students into the College community. Several of these students will be taking the court or field for the first time this year representing Marist College Ashgrove in official AIC competitions. We have a very proud tradition of success in sport, but we also emphasise having fun and encourage you to enjoy your time wearing the blue and gold. For our seniors, this is your last chance so make it count!

Firstly, I would like to acknowledge the hard work of our coordinators in organising our busy program. Last week was an unusually busy start to the year and we appreciate the patience of all students and families with our preparations for trials. The two-day week to start the year made for some very difficult days and the work of Mr Martin and Mr Tonkin (cricket), Mr Knight and Mr Minogue (volleyball) was exceptional. We could not have organised 87 MCA teams without their effort to go above and beyond their normal duties. Thank you very much!

As you can see, now that teams and draws are finalised our flow of information is a lot easier and will be distributed via this newsletter and the College APP to allow organisation to occur more fluidly. The contact details of our sport and age group coordinators are listed below. Please contact them if you have any questions or concerns at any stage throughout the season.

This Friday we will have another College assembly where our 1st VI Volleyball, 1st XI Cricket and 1st XVIII AFL captains for 2019 will present their teams to the school. For our students, the honour of representing a "first" team at the College is a very significant achievement and represents years of hard work and effort. We look forward to presenting these students to the school and wishing them the best for Round 1 this Saturday and for AFL commencing on Friday, February 15.

2019 has seen our busy sporting program continue with some of our highest participation rates in Term 1 sport. This term alone we have 87 teams participating in Cricket (42), Volleyball (38), and the AFL (7) competition. Some schools struggle to muster that many teams in one year of sport! In conjunction with over 200 swimmers, open football training, open rugby training the sheer size of our program is amazing. Soon our cross country program will also commence! Please continue to focus on the information in this newsletter and on the College APP for all details.

MCA SPORT, SELECTIONS, "BIG POND"

At MCA we are blessed with many talented students which makes our selection of teams very difficult. It was commented to me on the weekend from Iona staff how strong all of our teams were across all year levels, particularly in cricket, and how the depth of our program is outstanding. While that was

From the Head of Sport

pleasing to hear, it also makes things difficult for us when getting selections right.

Our College has historically been, and it is our aim to continue being, the most successful sporting school in the AIC competition. Our long and rich history of success in team sports and for individual athletes on a local, national and international stage is well-known. This success comes from having a culture that is based around valuing participation for all students while constantly striving for success.

Therefore it is important to understand two important things as each new term begins:

- **Our success means that making a high-level team at MCA is a lot more difficult than at other Colleges.** We are a very "big pond", and often we will have students selected in a B or C team who could easily play in A teams at other Colleges. It can be difficult at times for students and parents to understand this and accept.

****MCA cricket has won 17 out of 19 AIC aggregate cricket championships due to the strength of our program****

- **We will not always get selections right.** However, part of why we have had success is because our staff and coaches have a wealth of experience over decades of involvement in sport – they have been doing this for a while... While we may not always get things right in the first instance, it will always be our intention to get there in the end.

It is our firm belief that we each have a role to play in the development of our students here at the College. Coaches, students and parents as spectators need to understand their own role and focus solely on playing their role to the best of their ability.

**Players play

Officials officiate
Parents cheer and support
Let's all play our role**

AIC SPORT

This Saturday sees the commencement of AIC sporting fixtures for 2019 with matches primarily against St. Peter's Lutheran College and a few other Colleges in supplementary competitions. Please pay particular attention to the venue where your team is playing and what time your game is on. This is clearly outlined in the draws for cricket and volleyball in this newsletter.

On Friday night our swimmers will contest the first AIC meet for the season at the College pool in a head-to-head competition against Iona College. We wish them all the best as they continue their preparation for the major AIC championships. Our AFL players will also have an internal trial at Ferny Grove to finalise teams in preparation for their first round of competition next weekend.

Good luck to all MCA teams for Round 1!

ORGANISATION

A few key points regarding sport:

- Presentation – how we present ourselves is a strong reflection on our school. Saturday sport is the ideal medium to create a positive public image. This involves ALL students wearing the correct uniform to and from AIC matches. Please see the uniform section below for an example of appropriate attire for Cricket and Volleyball.
- Training – coaches spend a lot of time planning seasons and training sessions for our teams. It is only fair that students are organised, on time and ready to train for every session.
- Absence – students are not to send a message about missing training through another student. Please email your coach in advance about why you will miss training.
- Sport Contacts – Should you have any questions regarding Cricket, Volleyball, or

WET/EXTREME WEATHER

In the event of wet or extreme weather, any cancellations of training or matches will be communicated through the Marist College Ashgrove College APP. Please check this regularly if poor weather looks imminent.

Saturday sport – unless there is extreme weather, no decisions will be made until the morning of competition. The APP will be updated as regularly as possible.

Training – we will aim to let students know by 2nd break if possible. This is not always realistic, so we encourage all students to have a contingency plan if poor weather arrives late in the day.

SPORT PHOTOS AND VIDEOS

The sports department are always looking for photos and videos of the Colleges sporting teams throughout the year. If you wish to share these for use in the Sports newsletter, Blue and Gold, as well as other College publications, we encourage you to please send them to mcasport@marash.qld.edu.au

From the Head of Sport

Swimming, please contact the relevant staff members in the first instance.

COMMUNICATION

With so much happening in Term 1, it is important that students and parents regularly check the main sources of information to receive updates and changes to draws, training timetables etc. Each week, information can be found in:

- The Buzz Newsletter (draws, training timetables, general information & contacts)
- The Marist College Ashgrove APP – please download if you have not already done so!
- Sports noticeboard (outside the gym)
- Morning and afternoon notices
- Emails (students are reminded to check these regularly!)

Mr David Miles
Head of Sport

Individual Achievements

Congratulations to:

- Angus Cope (6R), Joey Cervetto (6V) and Shaun Bright (7R) won gold at the U12 National Water Polo Championships
- William Valentine (10E) won silver at the U16 National Water Polo Championship
- 2018 Captain of Volleyball, Zach Hogan (2018) handing 2019 Volleyball Captain, Tim Gibb, his playing jersey. All the 2019 1st VI Volleyballers were treated to a stirring speech from Zach today who talked about the importance of supporting each other on and off the court, valuing everyone's contributions and creating their own legacy as men of MCA.
- Mr Jon Fitzgerald for his appointment as assistant coach for the QLD 1 Schoolboys Rugby Union Team

Angus Cope (6R), Joey Cervetto (6V) and Shaun Bright (7R)

Tim Gibb and Zach Hogan

Uniform

A very important part of representing MCA in any sporting competition is our presentation. As this week is Round 1 all students are required to be in the correct uniform for their particular sport. It is the position of our College and most AIC colleges that no student should be on the court or field if they are not dressed in the correct uniform. All coaches will be asked to not put a player on until they have the correct uniform so please organise this ASAP.

Please see photos below as examples of correct Cricket and Volleyball attire.

Swimming – Please refer to the College APP – Sports/Swimming for further information.
