From the Head of Sport

On Saturday we hosted Padua College in Round 6 of the AIC tennis and basketball competition with our rugby league teams travelling to Banyo for the matchup against Padua College. It was a solid performance from all MCA teams across all codes and sets up an exciting finish for the Term 3 sporting season against close rivals, Iona College.

Our basketball teams had a strong round of results winning 9 of the 12 matches contested in the aggregate competition. In what has been a tight competition all season long, our 1st V team had a good win 79-63.

Our 1st tennis team faced a very talented 1st IV Padua team with the number 1 junior tennis player in Australia representing their College. This would be a great challenge for any player and I hope the boys embraced the experience. Something to brag to the kids about in the future! It was a strong effort overall by our tennis teams winning 9 out of 13 matches. With a very important matchup against Iona College to finish the season we wish all tennis teams the very best.

The rugby league season for MCA teams has always been building up to the final two rounds against Padua and Iona College. Last Saturday did not disappoint anyone in attendance with some exciting games played across the day that culminated in a classic Ashgrove vs Padua battle. After racing out to an 18-0 lead the 1st XIII squad had to dig very deep to hold off the fast-finishing Padua team who finished 4th at the recent Confraternity Carnival. It was a very impressive and tough defensive effort when under pressure that saw the boys claim an 18-16 win. With an undefeated Iona College 1st XIII waiting this Saturday it will be an exciting finish to what has been a great inaugural season of rugby league. Congratulations also to our Year 7 team who also remain undefeated after beating the previously undefeated Padua College 30-18.

Our track and Field Squad continued to improve through their hard efforts in training and at the second AIC meet. This Friday is the final competition for the term before the holiday break and attendance for all students is compulsory. The September holidays always represents a challenge as the end of the Track & Field season approaches. It is important all boys are attending so please check the details later in The Buzz carefully.

From the Head of Sport continued...

With this being the last week of the season, the final aggregate finishing positions for all sports will be determined by the results in this final round. It is vital that all teams finish the season positively this weekend.

We also wish all grade 12 boys the best of luck in their final Basketball, Rugby League and Tennis matches for the College this weekend.

Good luck to all students!

Water Polo Sign-On

The AIC Water Polo season will again run in term 4 with a combined Year 7-8, Year 9-10, Year 11-12 teams participating. If you are interested in playing Water Polo in Term 4, please click on the link below to sign-on.

<https://bit.ly/2k6COUO>

Term 1 Sport Sign-on

It is quite unbelievable that we are already at the stage of having sign-on for Term 1 sports ... in 2020! These sign-ons allow us to look at how many students may be involved in Term 1 so we can begin allocating coaches and organise our preseason programs.

These preseason programs will commence in Week 4-5 of Term 4 for cricket, AFL and volleyball with our 2020 "first" squads already beginning preparations. When we return from the September holidays we will provide information about these programs and trials.

At the moment all you need to do is sign on using the links below.

Please note: Students interested in signing on should select the year group they will be in next year (ie. if you are in Year 8, you will sign on/trial for Year 9 A-D teams).

As usual, it is very important that students involved in track and field are maintaining their commitments until this season is finished.

Please see below for the links to sign on for Term 1 sports in 2020

WET/EXTREME WEATHER

It is inevitable that the weather will cause some games and training to be cancelled.

Parents and students are encouraged to download the MCA App for the most up to date announcements regards training and games.

SPORT PHOTOS AND VIDEOS

The sports department are always looking for photos and videos of the Colleges sporting teams throughout the year. If you wish to share these for use in the Sports newsletter, Blue and Gold, as well as other College publications, we encourage you to please send them to mcasport@marash.qld.edu.au

Changes to Cricket Helmet Regulations

At the commencement of the 2019-2020 cricket season, all community cricketers (whether junior or senior) will be required to wear helmets that complies with British Standards at all times when batting, wicket-keeping up to the stumps and fielding in close.

The College is looking to purchase compliant helmets that are branded with the MCA Crest through either Gray-Nicolls or Masuri. If students wish to purchase one of these MCA helmets then we are asking that they please come and try them on at the sports office before Tuesday 17 September. Boys will need to decide on their preferred model if they wish to purchase an MCA branded one.

Costs are as follows:

Gray-Nicolls - \$75.00

Masuri - \$90.00

Please head to the sports office for any questions or to place an order. We will look to place another order again next term if boys miss out on the first round.

Individual Achievements

Congratulations to:

Lachlan Howse and Campbell Moller on their selection in QLD Under 18's White Rugby Union Team to compete against ACT Brumbies on Sunday 22 September.

Basketball - Team Reports and Results

ROUND 6 VS PADUA – SATURDAY 7 SEPTEMBER, 2019

1ST V BASKETBALL VS PADUA COLLEGE: RESULT - 79-63 WIN

With both teams coming off a loss last weekend it was always going to be an edgy game. Padua got an early jump on the boys with their half-court pressing defence which led to a few easy buckets for the brown and gold. After a settling time-out Ashgrove began to embrace the pressure and picked apart the trap leading to some easy scores. The rest of the first quarter was quite a tight tussle, trading baskets and long-range triples. Ashgrove ramped up the intensity in the second quarter with steals leading to layups and Will, Tom and Jacko putting pressure on the rim getting Padua into foul trouble. Some powerful rebounding from Hearnly and a kick out to Tom Hancock to bury a deep three right on the halftime bell had us leading by 10 at the half. The 3rd quarter was scrappy, with both teams trading baskets; however Ashgrove held onto a comfy 20-point buffer.

As the fourth quarter began Padua refused to quit reducing the lead to twelve with a few minutes to play. Being the last home game for the seniors they weren't going to let Padua get back to within 10 points and with a couple of steady baskets from Will Jackson and a corner three from Jack O'Neill, order was restored and Ashgrove ran out handy winners.

TEAM	TEAM REPORT
2nd V	The boys played well in what was their last home game. They started off well and pushed the ball up the court resulting in some easy fast break points. This trend continued throughout the game. All players contributed to a good win. The game was played in good spirit with plenty of laughs. The boys on the mezzanine contributed to the atmosphere with some humorous commentary.
3rd V	MCA 3rds looked to bounce back from a loss and finish the season strong by winning its final 2 games. Round 6 vs Padua saw the seniors play their last ever game of home basketball and the opportunity to improve to 5-1 for the season. A very slow first quarter with the scores tied at 4 a-piece meant that the boys had to focus and evaluate how they could improve on a sub-standard offensive quarter if they were to win the game. From the second quarter, the boys rotated well off the ball and continued attacking inside and took advantage of stops on the defensive end. A full-court press was well executed by the 3rds and led to many back-to-back possessions and scores. Holding Padua to a scoreless 3rd quarter, MCA finished strong in the second half and maintained a comfortable lead to hold out the game.
4th V	This week the 4ths played a strong game against Padua with the scoreboard not reflecting the close competition. We are starting to learn more about our combinations of players and our skills are constantly improving. It is great to see both a strong sense of enjoyment and sportsmanship each weekend when the 4ths play.
11A	Another close game for the 11 A's, who narrowly lost to Padua 48-46. A few lapses in concentration on both offense and defence allowed Padua to get easy baskets in transition. With under 10 seconds left, Padua missed both free throws to give Ashgrove the opportunity to win it off the rebound, but unfortunately, the shot was left short. All boys were disappointed in the outcome, but I'm sure they will bounce back against Iona.
10D	After a strong start and a good showing of enthusiasm and skill, the boys took their foot off the pedal in the last quarter and SLC got a bit of a roll-on. In the end it was a narrow two-point loss for the boys in blue and gold. We look forward to next week where we play our final game against Iona.
10A	10A's got off to a slow start this week and built into the game with good contributions from Will Waters and Tyler Coogan in the early going. It was at the defensive end the game was won only conceding 17 points in the last 3 quarters. The team defence has been a feature most of the year, and it led to a comfortable win this week.
10B	The boys had a very competitive game against Padua this week keeping it very close until opening up the game in the 4th Quarter for a spectacular finish. The energy was fantastic and the boys should be excited to lock and load up against Iona this weekend.
10D	Fresh off their first win the 10 D's entered this game hot. Jumping out to a quick 8-0 lead the team never looked back. The boys played an air-tight zone defence and turned their success on this side of the ball into good fast-break offence. The game finished with Marist up by 20 points after an excellent display of basketball.
9A	As played really good shape but could not make shots drop to lose by ten in a tough one. Cooper Hafiz held the ship for us and Liam played really good defence but we could not make it click, the boys are working really hard and I am very pleased with their efforts and more importantly attitude to the game and support of team. They are a pleasure to coach.
9B	Touchwood... 1 more win and the 9B's will finish the season undefeated after another solid win against Padua this week. Although as Stevie wonder says..."Very superstitious, the writings on the wall" and superstition won't play a part! It was an interesting test against Padua this week who were perhaps not the strongest opponent this season, however presented the boys with the age-old dichotomy of maintaining focus and composure against a team we were expected to win against...and to their credit the boys executed through the second half of the game to win on the road again. Extremely proud of this team so far.
9C	After their last away game of the season, the 9Cs have tragically copped another devastating loss. Although they played their best defense of the whole season, Padua's height and speed proved too much when we were attacking, leading to another L for the team. The boys will come back pumped and ready for their final game against Iona next week.
9D	The 9D's played a great game on the weekend they were down for the majority of the game but pulled through with the win due to their work on defence and securing rebounds.

Basketball - Team Reports and Results Continued...

TEAM	TEAM REPORT
8A	The 8As have been building momentum throughout the season and their teamwork has been a highlight. It was fantastic for the boys to see their hard work, both on and off the court, result in a complete and dominant performance against Padua. Kaden's, game-high, 20 points and work in the air earned him this week's MVP and Spencer Mahoney's long-range 3-point buzzer-beater, at the end of the 3rd quarter was a highlight. Well done boys!
8B	The boys stepped up with transition and their offence to secure a fantastic win. Their defence was tight and ball security was very impressive. Newly appointed assistant coach Kurt who is out with injury gave great support from the bench.
8C	A convincing and dominant performance this week from the 8Cs. Marist won the game at both ends of the court, great rebounding, drawing opposition fouls and a fantastic shooting percentage. The team built the pressure against their opposition on every inbound ball to cause turn-overs and regularly converted these in points. Joe Whitten hustled and harried his opponents throughout the game and dominated the boards, Jude Knapp sealed the victory with a long-range 3-point bomb!!
8D	After losing their first game to Villa the week prior the boys were out to make amends. Defending well all game they kept Padua to only 4 points. They ran the court effectively creating open shots. The whole team contributed well to beat Padua 52-4 away from home.
7A	A strong first quarter from the boys such they head into the second quarter with a lead. However, they struggled to maintain this lead and were down in the fourth quarter. Despite a few good plays in the dying minutes, the boys failed to secure a lead and clinch the game.
7B	7B's bounced back from last week with a great win over a very committed Padua team. Strong defence was the key with lots of good rebounds on both sides of the court in spite of facing a taller opposition. It was great to have Jake Benson back on the team after his knee injury early in the season.
7C	There are not enough adjectives to describe this group of amazing young men. Their teamwork and team spirit are nothing short of outstanding. Love their work. 52-10 win over Padua.
7D	A comfortable win by the 7D's this week. An excellent start inspired by Ed Wild playing his best game of the season so far, gave us a comfortable lead at quarter time, which then steadily grew each quarter. We worked on passing the long ball at training this week and this was put to good use today by both James Henry and Nate Scott-Day, passing to teammates on the fast break. Max Norton had a great game working hard at both ends of the court, and stealing a lot of ball when in defence. I'm most proud of the boys for the manner in which they won today. They definitely enjoyed the win but they celebrated with grace and, in the Marist tradition, showed respect to the opposition at all times.
6A	An awesome game by all. Much better team effort and a very unfortunate loss in a close game. Hopefully, we can get a win for our last game this coming round.
6B	For the second-last game of the season, the boys really stepped up their game. Their communication and positioning have started to come together and pay off in the game. Only one game left and I know the boys will once again show us what they are made of. Well done boys!
6C	Following a big loss against a talented Villanova outfit, the 6Cs were ready to fire in the final two games of the season. After a slow first quarter, Marist found themselves trailing by eight but continued to fight well into the match. Heading into the final term, down by 7, the boys with their excellent man-on-man defence forced a series of turnovers and closed the deficit to a single point but ultimately weren't able to score a final basket. We will be looking to bounce back and finish the season on a win next week.
6D	By far our toughest game of the season against a strong Padua outfit, the boys played well to go down 14 – 24 in the end. I am very proud of the way the boys came out in the second half and played as a team to close the Padua lead.
5A	The focus for the boys this week against Padua was rebounding and playing at our own pace. After a season of either winning or losing by large margins, it was refreshing for the boys to have a really hard contest. We ended up with the win and are looking to beat Iona next week to finish the season with a winning record. It has been great to see the growth and development of the boys throughout the season.
5B	With improved shooting and excellent defence, the boys earned themselves a much-deserved win against Padua. Well done on your great teamwork this week boys!
5C	The 5C team bounced back from their close loss last week to win a close one this week. The boys in this team, many of whom are playing their first-ever season of basketball, are really starting to play well together and look like a team out on court rather than a group of individuals playing basketball alongside each other. Jack Webster had another great game especially utilising his speed in bringing the ball down the court and Leon Nauer again caused lots of problems for the opposition under the basket at both ends. Players of the Match Weston Lewis and Giacomo Calabrese both played excellent basketball. Giacomo was everywhere and saved a lot of ball in offense when our passes didn't quite hit their target. Weston had his best game of the season making some great decisions in offense and working really hard to get lots of ball in defence.
5D	Starting at very fast pace Padua jumped to a 6-point lead in the first quarter. From the second quarter onwards, the boys slowed the pace to frustrate Padua to level the scores in the last quarter. Another tight finish saw Padua shoot the winning points within the last minute. Every boy played well in another tough game.

Rugby League - Team Reports and Results

ROUND 6 VS PADUA – SATURDAY 7 SEPTEMBER, 2019

1ST XIII RUGBY LEAGUE VS PADUA COLLEGE: RESULT - 18-16 WIN

In the toughest game of Rugby League the MCA 1st XIII have encountered this season every player was required to dig deep for each other in order to protect every dwindling lead. Rushing to an 18-0 lead after 15 minutes it seems much of the same as previous weeks, but that is where the scoring ceased. After two questionable tries and two disallowed tries the boys headed into half time 18-10 up. In a second-half marred with mistakes and a mixed kicking game the players were forced to defend their line down to the final seconds. The final result was a tenacious 18-16 victory.

TEAM	TEAM REPORT
YEAR 10	The boys started the game well leading 10-6 at half time. Too many errors in the second half allowed Padua to score two tries which resulted in a 16-12 loss. Boys should be proud of their efforts; however, understanding that too many errors make it difficult to defend against quality opposition.
YEAR 9	With a final scoreline of 40-4, it was difficult to believe the boys could not get past the 1st tackle for their first 4 sets! After the team settled down they played so great running rugby league with many boys continuing their understanding of the game. Gilbert Donaldson was fantastic with his efforts, while Charlie Gribble and Reggie McMillan made several line breaks with their hard running. Chastyn Creek and Oscar Burg were again at their best with a 60m try by Eli Nichols was a highlight. A chance to tie the premiership in the final round with Iona presents an exciting finish to the season.
YEAR 8	Another gutsy display by our Year 8 group, where the 26 – 4 scoreline did not reflect the closeness of the game. Trailing early in the first half and running into a very strong breeze, the boys scored a great team try, only to have it called back for what the ref thought was to be a knock-on. This momentum swing could have seen the boys go into half time level, but Padua capitalised to lead 14 – 4 at half time. Our second half started well, with the boys really winning the field position battle, before losing both Connor Maguire and Sean Browne to the concussion rule and unfortunately not returning. This loss saw players needing to play out of position and our middle boys were required to play much longer minutes, which was a huge effort by everyone. Down on troops, the boys showed a lot of character to finish the game strong and cross the line late, only to again be called back for a forward pass. The boys should be very proud of their efforts against Padua, as I feel we were the better side in the second half, we just didn't capitalise on the good field position the team created.
YEAR 7	The year 7's played an undefeated Padua team and the boys were up for the challenge winning 30-16. It was an impressive team effort against a strong opposition. The boys were leading 20-0 at half time but with a couple of errors and penalties gave Padua some opportunities in the second half. Tom Howard had a man of the match performance in both attack and defence. Jai Jarro made some strong runs and quick play the balls that provided go forward. Jasper Barry again lead by example and Joel Drew had a great game scoring two tries. We are looking forward to Iona and aiming for an undefeated season.
YEAR 6	The Year 6 team once again put in another tough performance, however went down against an undefeated Padua side 30 – 6. The boys knew they were in for a big match and certainly turned up ready to play with some solid defending and power running, particularly through front-rowers Kevin Fitalo and Josh Heinrich. The result certainly does not reflect the quality of game that was played on Saturday, with even the Padua coach highlighting that it was the toughest game they have had this year. Overall, a very good effort by a team continuously improving.
YEAR 5	The Year 5 team arrived on Saturday morning eager and ready to play a very tough game against Padua. Although the boys didn't quite get the result they were looking for, they put in a huge effort and displayed some impressive defence on many occasions to stop Padua from increasing their lead. Jonah Wilde well and truly earned the player of the match award for his relentless runs through the Padua defence.

Tennis - Team Reports and Results

ROUND 6 VS PADUA – SATURDAY 7 SEPTEMBER, 2019

TEAM	TEAM REPORT
YEAR 8	Both Year 8 teams played well and were too classy for the opposition and dominated the day.
YEAR 7	A really close match for 7A's with Marist needing the last two matches to win the day. Oliver with a 7-5 win in his long singles and then teaming up in the doubles to win in a tie-breaker what a thrilling day of tennis to watch. 7B's also played well and were too strong for Padua. Well done all boys today but especially to Rory for filling in again. Thanks.
YEAR 6	Our Year 6 players battled strong gusty winds, yet, managed to display great skill in their defeat of Padua. Baden Corfield and Ben Mead took out their doubles match 4-2, combining well and playing some great tennis. Baden's love of the game seems to grow with every match he plays. Likewise, Hamish Davidson and Lachie Davidson combined well, covering each other's shots to pull off a 4-1 defeat. Hamish showed the power of a strong forehand which assisted in advancing the game, while Lachie was a fine example of 'the thinking player' as his carefully calculated shots proved to be winners. Jordan Pratt and Elliot Schanzel battled hard to bring about a close 4-3 win in a game where the lead changed often, with Elliott showing great determination with his serving in his singles matches (winning 6-4). Hamish & Tom Clulow both won their singles matches 6-0. Another fine week of tennis for our Year 6 champs.
YEAR 5	Congratulations to our Year 5 tennis champs on a resounding win against Padua, on the most challenging of windy days on which to play tennis. Fletcher Wessling and Will Lambley were a formidable doubles duo delivering powerful and well-placed returns of serve to dazzle their opponents. Will followed this up with more of the same in his singles matches. Toby Campbell impressed with some sharp shots up at the net in his doubles match paired with Jack Purcell. Jack's two-handed backhands were delivered with great power and accuracy. Hugh Ambrose delivered a stinging win to his singles opponent with a 6-1 result, as did Xander Keane with a 6 – 2 win in his singles. Xander Keane and Alessandro Javier (AJ) won their doubles 4-0, with AJ winning his singles 6-0. An impressive morning of tennis by our youngest players.
