From the Head of Sport

Welcome back to all students, families and friends of Marist College Ashgrove. I hope that school life will soon begin to settle into some form of routine for everyone and that all students are looking forward to the year ahead.

In 2019, we continued our emphasis on providing opportunities for all students to participate in sport along with providing high-quality programs to foster strong development of our athletes. With 258 teams across the year and over 450 students participating in swimming, cross country and track and field, this makes our college sporting program one of the largest in the State.

Out of 10 major AIC competitions, we placed in the top three Colleges in eight sports, winning three aggregate championships. With this continued success we have become the benchmark in the AIC competition in terms of participation rates and our consistent level of success across all sport. This always makes us the target for every opposition and our students should thrive on meeting this challenge each and every weekend.

The efforts of the staff in the sports department in collaboration with our many coordinators and coaches, to continue to maintain this rich history of success in an extremely competitive environment is extraordinary. We will continue to develop our programs to offer the highest level of coaching and development for our students and look forward to what the 2020 season will bring.

From the Head of Sport Continued...

Such a busy program requires a lot of organisation to distribute the appropriate information to our community. With our Round 1 fixtures for Cricket and Volleyball only a week away, there will be no time to ease into the sporting year. This newsletter is an important source of information for what happened during the weekend of sport, what is happening for the week ahead and also for upcoming events. Please refer to this newsletter if you are ever unsure about where to find information.

HOLIDAY EVENTS

During the Christmas holidays we had several staff, students and teams involved in sporting competitions and in next week's newsletter we will elaborate on these fantastic efforts in greater detail. We had students involved in World Rugby 7's tournaments, Australian volleyball competitions, State swimming titles and we especially wish to acknowledge the efforts of our staff and community in hosting the 47th Australasian Marist Cricket Carnival here at our College. There is a lot to recognise so we hope to do this justice in next week's copy of "The Buzz".

SPORT COORDINATORS AND YEAR LEVEL COORDINATORS

COLLEGE APP

The College APP is a vital tool and is a MUST for all families to gain quick access to sporting information. The weekend draws, any last-minute changes that may occur, training information, wet weather cancellations, transport updates or any late bus returns will all be information that is uploaded to the College APP. Please make sure you have this valuable tool downloaded to your phone.

WET/EXTREME WEATHER

It is inevitable that the weather will cause some games and training to be cancelled.

Parents and students are encouraged to download the MCA App for the most up to date announcements regards training and games.

SPORT PHOTOS AND VIDEOS

The sports department are always looking for photos and videos of the Colleges sporting teams throughout the year. If you wish to share these for use in the Sports newsletter, Blue and Gold, as well as other College publications, we encourage you to please send them to mcasport@marash.qld.edu.au

IMPORTANT AIC SPORT INFORMATION

Team sports are contested in Year levels as per below:

- AFL (Year 5, 6, 7, 8/9, Opens)

- Volleyball (Years 5-11, Opens)
- Chess (Years 5-10, Opens)

- Tennis (Years 5-11, Opens)

Individual Sports:

- Swimming, Cross Country and Track & Field will remain the same as in 2019 with all of these sports continuing to be contested in age groups (i.e. based on a student's year of birth).

Students are asked to be wary of these guidelines when trialling for teams at MCA to ensure they are adhering to the AIC competition rules. Please see a coach or teacher at school if you are unsure where you need to be.

YEAR 7 CRICKET AND VOLLEYBALL CLINICS

Congratulations to all Year 7 students who attended the cricket and the volleyball clinics/trials last Friday and at the end of their orientation day on Tuesday, January 29.

With 80 students involved in volleyball and another 80 students trialling for cricket, we applaud our newest secondary students for their great enthusiasm. The challenge of sorting boys into teams within a short time frame is very difficult and we ask all parents and students for patience as we organise our sides.

Good luck to all students for the year ahead. Remember to represent your college with pride and integrity at all times and above all – enjoy yourself!

Mr David Miles
Head of Sport

Volleyball - Competition Shirts and Training Ball

YEAR 7 & NEW VOLLEYBALL STUDENTS

All Year 7 and new students joining volleyball wishing to purchase a Volleyball shirt for the AIC season and a training ball for further practice are to pay via the **Monitoring System** before visiting the Sports Office to collect the shirt. Please be mindful of the following:

- The cost of the shirts is \$35
- The cost of the training volleyball is \$12
- All payments must be made through the Monitoring System. **No cash will be taken** as we continue to operate as a cash-free school.

How to pay?

Please see below the step by step process of how to pay via Monitoring System.

1. Load the Marist College Ashgrove website. At the top right, select the orange "MyMarash" button. Then, select the "parents" link that will appear above it.

2. On the page that follows, click the "Click here to access parent portal" link. Log in if necessary with your usual credentials.

3. You should now be in the parent portal. Please select the "Tuckshop, Boarding, Recreation, PMT System" link.

4. Log in with the same credentials to access the monitor online system.

5. Select the "My Marist Online Purchases" link at the top of the page.

6. Select desired item/s from the available menus and add to cart. You will see a list of your purchases on the right in the shopping cart, which you can edit or remove as desired.

When finished, select the "Summary & Checkout" button, and follow the prompts to make payment

***For payment, please note:** you are able to pay with existing account funds, with a separate credit card, or with a combination of both. Please select any relevant in-house account/s, or use "Marist Pay" to use a stored or new credit card.*

***A note on errors loading monitor:** please do not type the URL directly into your browser, it will not work. Following the parent portal links should avoid the error.*

- Once payment has been made, take your receipt (or evidence of it) to the sports office during 1st or 2nd break to collect your shirt
- Shirts will only be handed out to students who are definitely playing volleyball for Ashgrove this year
- The allocation of numbers is based on a "first come – first served" basis. Sizes and numbers do run out closer to round 1 so to avoid disappointment, get in early!

Uniform

A very important part of representing Ashgrove in any sporting competition is our presentation. We have just over one week until Round 1 of AIC Cricket, Volleyball and AFL commences, and in that time, I urge all students to ensure they have the correct uniform for their particular sport. It is the position of our College and most AIC colleges that no student should be on the court or field if they are not dressed in the correct uniform. All coaches will be asked to not put a player on until they have the correct uniform so please organise this ASAP.

Please see photos below as examples of correct Cricket, Volleyball and AFL attire.

Swimming – Please refer to the College APP – Sports/Swimming for further information.

An advertisement for the Marist College Ashgrove College App. The background is dark blue with the college crest and name at the top left. In the center, a smartphone and a tablet display the app's interface, which includes icons for Notices, Calendar, Sports, Music, Media, Newsletter, Links, Contacts, and Events. At the bottom, there are logos for the App Store and Google Play.
