From the Head of Sport

Welcome back to all students, families and friends of Marist College Ashgrove. In 2017, we had a fantastic year of sport with our participation rates the highest they have ever been and the usual success stories associated with sport here at Ashgrove. With five aggregate championships and three 1st team premierships, it was certainly a great year at the college.

We continue to develop our programs to offer the highest level of coaching and development for our students and look forward to what the 2018 season will bring. This year we have already seen our highest team numbers in Volleyball with 10 teams just in Year 7!

With our Round 1 fixtures for Cricket and Volleyball only a week away, there will be no time to ease into the sporting year. This newsletter is an important source of information for what is happening for the week ahead and for upcoming events. Please refer to this newsletter if you are ever unsure about where to find information.

The "Buzz" contains important information regarding:

- AIC fixtures – venues, dates and times
- Training schedules for the season
- AIC results
- Calendar of upcoming events

Results for Ashgrove teams for each round of sport will be published in this newsletter.

HOLIDAY EVENTS

Throughout the Christmas holidays, we had several staff continue to work tirelessly in support of our students. Major events included the Marist Cricket Carnival, Australian Schools Knockout Track and Field and the Australian Schools Cup Volleyball tournament. We sincerely thank all staff listed below for coaching and accompanying our students to these National competitions.

- Marist Cricket Carnival – Ben Maddox, James Metzeling, and Harry Collier (old boy)
- Australian Schools Knockout Competition – Michael Lynagh, Robin Martin, Connor O'Leary and Des Davis
- Australian Schools Volleyball – Ben Webb, Jared Pon (old boy) & Laurel Fink (coach)

YEAR 7 CRICKET AND VOLLEYBALL CLINICS

Congratulations to all Year 7 students who attended the cricket trials and the volleyball clinic on Saturday, January 20 at the College. The level of enthusiasm and participation from students was

From the Head of Sport

impressive and a rewarding way to start the year. We thank the following staff and students involved in organising and running their sports:

- Cricket – Mr Ben Maddox, Mr Damian Nelson, and old boys Callum Zipf, Ben Perkins, Calum Mackay, Ben Fitzgerald, Lachlan Adams, Stuart Martin. Our 1st XI squad provided fantastic support to these staff members.
- Volleyball – Mr Scott Minogue, Mr Paul Kearney, Ms Kate Moore with fantastic support from our 2018 1st VI squad members.

We have also had several teams competing in cricket trials throughout the final week of holidays and we thank for the following staff for their time and efforts: Mr Anthony Mathison, Mr Ben Maddox, Mr Phil Tonkin

IMPORTANT AIC SPORT INFORMATION

Team sports are contested in Year levels as per below:

- Cricket (Years 5-10, Opens)
- Football (Soccer) (Years 5-10, Opens)
- Rugby (Years 5-10, Opens) - In 2018, all Year 11 & 12 students will be competing in the Open age group
- Basketball (Years 5-11, Opens)
- Volleyball (Years 5-11, Opens)
- Chess (Years 5-10, Opens)
- Tennis (Years 5-11, Opens)

Individual Sports

Swimming, Cross Country and Track & Field will remain the same as in 2017 with all of these sports continuing to be contested in age groups (i.e. based on a student's year of birth).

Students are asked to be wary of these guidelines when trialling for teams at MCA to ensure they are adhering to the AIC competition rules. Please see a coach or teacher at school if you are unsure where you need to be.

VOLLEYBALL – COMPETITION SHIRTS FOR YEAR 7 & NEW VOLLEYBALL STUDENTS

All Year 7 and new students joining volleyball wishing to purchase a Volleyball shirt for the AIC season are to pay via the QKR app before visiting the Sports Office to collect the shirt. Please be mindful of the following:

- The cost of the shirts is \$35
- All payments must be made through the QKR app. No cash will be taken as we continue to operate as a cash-free school.

How to pay?

Use of the QKR app is the easiest method of payment and a receipt of purchase can be printed as evidence of payment. The QKR app is easy to download onto your phone and once you have registered, just select 'Marist College Ashgrove' to bring up the list of items for purchase.

- Once payment has been made, take your receipt (or evidence of it) to the sports office during 1st or 2nd break to collect your shirt
- Shirts will only be handed out to students who are definitely playing volleyball for Ashgrove this year
- The allocation of numbers is based on a "first come – first served" basis. Sizes and numbers do run out closer to Round 1 so to avoid disappointment, get in early!

CRICKET

As part of our intention to provide quality sporting programs at our College we will continue with our decision to enter our "C" cricket teams for Years 8, 9 and 10 teams into the Brisbane North Junior Cricket Association (BNJCA) competition. This decision evolved from the movement of all AIC cricket matches for "C" and "D" teams into the 20-20 format. Over the past five years students in the teams mentioned have participated in the BNJCA competition and found the experience challenging and worthwhile for their development as cricketers. All players selected in these teams will represent Marist College Ashgrove as usual and all information regarding their fixtures will be provided in the messages and links following.

CRICKET COACHES NEEDED

Due to the number of cricket teams at the College we are still looking for cricket coaches for the 2018 season. If you are a parent or an Old Boy and are interested in taking a team, please contact Ben Maddox via his email maddoxb@marash.qld.edu.au.

Mr David Miles
Head of Sport

Uniform

A very important part of representing Ashgrove in any sporting competition is our presentation. We have just over one week until round one of AIC Cricket and Volleyball commences, and in that time I urge all students to ensure they have the correct uniform for their particular sport. It is the position of our College and most AIC colleges that no student should be on the court or field if they are not dressed in the correct uniform. All coaches will be asked to not put a player on until they have the correct uniform so please organise this ASAP.

Please see photos below as examples of correct Cricket and Volleyball attire.

Swimming – Please refer to the College APP – Sports/Swimming for further information.

Individual Achievements

Congratulations to:

- Matt Magnussen on his selection in the Queensland State Junior Cyclones Surf Life Saving Team to compete in Sydney at the Inter-State Challenge this Australia Day weekend. Matt is only 1 of 5 boys to be selected in his age group.

MARC (Marist Ashgrove Running Club)

January - March; Terms

MARC Coordinator: Matt Hayward - heywardm@marash.qld.edu.au

Interested in improving your fitness level? Want to prepare yourself better for your chosen sport? Or do you just love running? The College may just have the club for you. MARC (Marist Ashgrove Running Club) provides you with the opportunity to train with a group of like-minded people to achieve your personal fitness goals.

The club will be active in Term 1 2018, **meeting before school at 7:00am each Monday, Wednesday and Friday at the College pool (carpark end)**. You can choose to attend one session or all of the sessions available if you wish. After sessions, club members are usually able to use the College Pool for recovery. Basic fitness through to elite level is catered for.

All are welcome to be part of MARC – by all, we mean all students, staff and parents.

You do not have to be part of Cross Country to attend sessions, though many students will use MARC as a preseason to provide a base in preparation for the upcoming Cross Country and Middle Distance seasons.

Like everything else distance running related at the College, MARC now takes a whole-College approach by including our Years 5 & 6 students. Considering the vast differences in age and ability, the younger boys will usually undertake slightly different sessions to the older boys. In the past, the younger boys have been generously supported (and often coordinated) by volunteer-parents – this high-level of parent involvement is once again encouraged as will ensure the active level of supervision required.
