From the Head of Sport

A special thank you to all of our hard-working staff members for their efforts in organising over 1200 students for the recent rugby and football trials and for the start of our cross country season. There is certainly no time to rest when we shift into a new sporting season and we appreciate the dedication of our staff in ensuring all of our students are provided with an opportunity to play sport. We also thank Mrs Roberta Bannah and staff from the P&F for their management of the sport canteens along with our exceptional grounds staff who continually provide fields of the highest quality, particularly given the recent heavy rain.

Congratulations to all students and families for their enthusiasm at the recent Saturday internal trials. These weekends are always exciting as fellow Ashgrove students battle each other in their first hit out of the season. With the level of ability in our football and rugby programs, they are some of the toughest matches our boys will play this year and inevitably we encounter a few pages with our injury reports. We thank our Health Centre and the first aid staff for providing the highest level of care and concern for our students. We are the envy of many colleges with the standard of professionalism provided by our medical staff and we thank them sincerely for all that they do.

Best wishes to all families for an enjoyable Easter break. We encourage all boys to maintain a decent level of fitness in between demolishing dozens of Easter Eggs these holidays. The Term 2 sports are physically demanding and to ensure everyone is ready to go when we return it is important all students are working on their skills and fitness.

Good luck to all of our touring teams travelling overseas and interstate. Our first tour departs tonight to Italy for football and we wish Mr McLoughlin, Mr Morgan, Mr Poole and Mr Mazzarati along with our students the very best for a successful trip. Our Open Rugby Team departs for their tour to the North Island of New Zealand on Easter Monday and we wish Mr Miles, Mr Kiernan, Mr Byrne, Mr Kosiek, Mr Gilberto and Mr Barker good luck travelling with these eager students. Finally our Open Basketball Team will once again participate in the annual Marist Basketball Carnival in Canberra with the team competing during the first week of Term 2.

We would also like to congratulate Daniel Drew (Year 9 Ignatius student) who recently was crowned National 110m Hurdles Champion for the 14 years age group at the Australian Championships held in Sydney. This is an awesome achievement for Daniel who has only been hurdling for one year and who has also been coached by Old Boy and current Marist Ashgrove Athletics Coach Robin Martin. Robin might be getting nervous (but also very happy) as Dan continues to develop and looks to beat Robin's own College record that has stood for 31 years!
