Cricket and Volleyball Draw – Round 1 v Padua Saturday 3 February

From the Head of Sport

At yesterday's assembly, we welcomed our new Year 5 and 7 students into the College community. Several of these students will be taking the court or field for the first time representing Ashgrove. We have a very proud tradition of success in sport, but we also emphasise having fun and encourage you to enjoy your time wearing the blue and gold. For our seniors, this is your last chance, so make it count!

Firstly, I would like to acknowledge the hard work of our coordinators in organising our busy program. The two-day week to start the year was something I have not experienced and the work of Mr Maddox (Cricket), Mr Knight and Mr Minogue (Volleyball) was exceptional. I would like to acknowledge the long hours and hard work put in by Mr Lambourne in solely organising the Year 5 & 6 program in a very short space of time. We could not have organised 89 Ashgrove teams without their effort to go above and beyond their normal duties. Thank you very much!

This Friday we will have another College assembly where our 1st VI Colleyball and 1st XI Cricket captains for 2018 will present their teams to the school. For our students, the honour of representing a "first" team is a very significant achievement and represents years of hard work and effort. We look forward to presenting these students to the school and wishing them the best for Round 1 this Saturday.

2018 has seen our busy sporting program exceed our highest participation rates in Term 1 sport. This term alone we have 89 teams participating in Cricket (45), Volleyball (40), and the Year 5-6 AFL (4) competition. Some schools struggle to muster that many teams in one year of sport! In conjunction with the MARC running club, open football training, open rugby training, and over 200 swimmers the sheer size of our program is amazing.

This Saturday sees the commencement of AIC sporting fixtures for 2018 with matches primarily against Padua College. Please pay particular attention to the venue where your team is playing and what time your game is on. This is clearly outlined in the draws for cricket and volleyball in this newsletter.

On Friday night our swimmers will contest the first AIC meet for the season at the College pool. We wish them all the best as they continue their preparation for the major AIC championships. Good luck to all Ashgrove teams for Round 1!

WET WEATHER

It is inevitable that the weather will cause some games and training to be cancelled.

Parents and students are encouraged to download the MCA App for the most up to date announcements regards training and games.

From the Head of Sport

ORGANISATION

A few key points regarding sport:

- Presentation – how we present ourselves is a strong reflection on our school. Saturday sport is the ideal medium to create a positive public image. This involves ALL students wearing the correct uniform to and from AIC matches. Please see the uniform section below for an example of appropriate attire for Cricket and Volleyball.
- Training – coaches spend a lot of time planning seasons and training sessions for our teams. It is only fair that students are organised, on time and ready to train for every session.
- Absence – students are not to send a message about missing training through another student. Please email your coach in advance about why you will miss training.
- Sport Contacts – Should you have any questions regarding Cricket, Volleyball, or Swimming, please contact the relevant staff members in the first instance.

COMMUNICATION

With so much happening in Term 1, it is important that students and parents regularly check the main sources of information to receive updates and changes to draws, training timetables etc. Each week, information can be found in:

- The Buzz Newsletter (draws, training timetables, general information & contacts)
- The Marist College Ashgrove APP – please download if you have not already done so!
- Sports noticeboard (outside the gym)
- Morning and afternoon notices
- Emails (students are reminded to check these regularly!)

WET/EXTREME WEATHER

In the event of wet or extreme weather any cancellations of training or matches will be communicated through the Marist College Ashgrove APP. Please check this regularly if poor weather looks imminent.

Head of Sport

SPORT PHOTOS AND VIDEOS

The sports department are always looking for photos and videos of the Colleges sporting teams throughout the year. If you wish to share these for use in the Sports newsletter, Blue and Gold, as well as other College publications, we encourage you to please send them to mcasport@marash.qld.edu.au.

Individual Achievements

Congratulations to:

- Thomas Hicks and James Leigh for their performances at 2017 Pacific School Games, Adelaide. Thomas won the gold medal for Queensland A under 11 4 x 50m freestyle relay, and bronze medals for the under 11 50m butterfly event and Queensland A under 11 200m medley relay. James won the gold medal for Queensland A under 10 4 x 50m freestyle relay.

Uniform

A very important part of representing Ashgrove in any sporting competition is our presentation. As this week is Round 1 all students are required to be in correct uniform for their particular sport. It is the position of our College and most AIC colleges that no student should be on the court or field if they are not dressed in the correct uniform. All coaches will be asked to not put a player on until they have the correct uniform so please organise this ASAP.

Please see photos below as examples of correct Cricket and Volleyball attire.

Swimming – Please refer to the College APP – Sports/Swimming for further information.

MARC (Marist Ashgrove Running Club)

January - March; Terms

MARC Coordinator: Matt Hayward - heywardm@marash.qld.edu.au

Interested in improving your fitness level? Want to prepare yourself better for your chosen sport? Or do you just love running? The College may just have the club for you. MARC (Marist Ashgrove Running Club) provides you with the opportunity to train with a group of like-minded people to achieve your personal fitness goals.

The club will be active in Term 1 2018, **meeting before school at 7:00am each Monday, Wednesday and Friday at the College pool (carpark end)**. You can choose to attend one session or all of the sessions available if you wish. After sessions, club members are usually able to use the College Pool for recovery. Basic fitness through to elite level is catered for.

All are welcome to be part of MARC – by all, we mean all students, staff and parents.

You do not have to be part of Cross Country to attend sessions, though many students will use MARC as a preseason to provide a base in preparation for the upcoming Cross Country and Middle Distance seasons.

Like everything else distance running related at the College, MARC now takes a whole-College approach by including our Years 5 & 6 students. Considering the vast differences in age and ability, the younger boys will usually undertake slightly different sessions to the older boys. In the past, the younger boys have been generously supported (and often coordinated) by volunteer-parents – this high-level of parent involvement is once again encouraged as will ensure the active level of supervision required.
