From the Head of Sport

The end of Term is a busy period for students as they prepare for exams and complete assignments. For the College sporting program, this means a cross-over of seasons as we complete swimming, cricket and volleyball and move forward into rugby, football and cross-country.

As we come to the end of Term 1 sport, it is pertinent to remind the senior students to enjoy the final rounds of Cricket and Volleyball. These final games represent the end of your Cricket or Volleyball contribution to the College. It is important that all boys maintain high standards of performance and sportsmanship to end the Term positively.

IMPORTANT THINGS

Term 1 sport remains our priority – if there is a clash, students must attend their Term 1 sport.

With only one week of competition and training remaining and only two matches left it is important that we maintain our commitments to Term 1 sport. Boys should only attend Rugby & Football training if it does not affect your current sports.

There are some reminders below for Term 2 sports

Rugby & Football

Training for Term 2 sports has begun this week. Please see the schedules in this newsletter for dates and times. A reminder to all boys that Term 1 sports take priority.

Cross Country

- Maccas runs begin on Monday (Week 8)
- Normal training commences (Week 9)
- Boys of all abilities are welcome

Once again, best of luck to all students for the remainder of the Term 1 season.

AIC Swimming

On Monday, our swimming team represented the College at the AIC swimming championships. Once again, the standard in this competition was the best we have ever seen at an AIC championship with numerous records broken throughout the day from a few different colleges and a very talented St. Peter's team winning the title.

81 ASH GROVE SWIMMERS SWAM PERSONAL BEST TIMES ON MONDAY!! Every swimmer swam at least one PB on Monday.

From the Head of Sport CONTINUED...

Congratulations to team captain Tom Cruikshank and vice-captains Seb Leavy, Ben Geraghty and Ryan Kenny who led the team with great pride and were an inspiration to the entire Senior and Junior squads.

Thank you to the many staff and non-staff involved in our swimming program - Doug Perrers, Peta Earley, Claire Fitzpatrick, Cath Barnett, Julia Wilkins and David Meehan.

I would also like to particularly acknowledge the work of three staff members who were instrumental in the coaching and organisation of the team. As Head Coach at Marist Ashgrove, James Boyce was contesting his second AIC championships and with several changes made to the swimming program, the team was certainly well-prepared. James was outstanding in his preparation of the team and particularly in his development of team culture throughout the past two seasons. James is renowned for his ability to quickly establish strong relationships with swimmers, staff and parents in a short time period and it is this quality that makes him an invaluable part of our sporting program here at Ashgrove.

This season James was supported in his role by Damian Bromley. Damian is an Old Boy of the College and joined our College swimming program as an assistant swimming coach towards the end of 2017. Damian has formed a great working relationship with James and his development of our junior and intermediate swimmers has been outstanding. This was certainly evident in our Years 5 & 6 team winning the Junior AIC championship trophy.

Finally, we also thank Cath Geraghty for her exceptional commitment and management of the team as swimming coordinator. Not content with resting on her laurels, Cath has continued to spend an amazing amount of her time organising the swimming program to ensure all swimmers and parents were well-informed and prepared for their season. This is always made exceptionally difficult with the Christmas holiday period right in the middle of our swimming season. The final swimming presentation evening was a fantastic event and a great way to celebrate another successful season of swimming at our College.

The season began toward the end of 2017 for our staff and students with Term 3 winter training and continued to develop in Term 4 where we welcomed our 2018 Year 5 students to train with the squad. This year the program went from strength to strength with more students than ever involved in swimming and our MCA Swim Club complementing the AIC program very well.

We hosted Friday night club meets, held holiday camps, weekend training, attended AIC competitions and had numerous team gatherings that catered for all squad members and clearly recognised the involvement of all students in our program. We thank all swimming staff for their ability to manage the largest AIC swimming program and achieve such great success on many levels.

Mr David Miles
Head of Sport

SPORT PHOTOS AND VIDEOS

The sports department are always looking for photos and videos of the Colleges sporting teams throughout the year. If you wish to share these for use in the Sports newsletter, Blue and Gold, as well as other College publications, we encourage you to please send them to mcasport@marash.qld.edu.au.

WET WEATHER

It is inevitable that the weather will cause some games and training to be cancelled. Parents and students are encouraged to download the MCA App for the most up to date announcements regards training and games.

MARC (Marist Ashgrove Running Club)

January - March; Terms

MARC Coordinator: Matt Hayward - haywardm@marash.qld.edu.au

Interested in improving your fitness level? Want to prepare yourself better for your chosen sport? Or do you just love running? The College may just have the club for you. MARC (Marist Ashgrove Running Club) provides you with the opportunity to train with a group of like-minded people to achieve your personal fitness goals.

The club will be active in Term 1 2018, **meeting before school at 7:00am each Monday, Wednesday and Friday at the College pool (carpark end)**. You can choose to attend one session or all of the sessions available if you wish.

After sessions, club members are usually able to use the College Pool for recovery. Basic fitness through to elite level is catered for.

All are welcome to be part of MARC – by all, we mean all students, staff and parents.

You do not have to be part of Cross Country to attend sessions, though many students will use MARC as a preseason to provide a base in preparation for the upcoming Cross Country and Middle Distance seasons.

Like everything else distance running related at the College, MARC now takes a whole-College approach by including our Years 5 & 6 students. Considering the vast differences in age and ability, the younger boys will usually undertake slightly different sessions to the older boys. In the past, the younger boys have been generously supported (and often coordinated) by volunteer-parents – this high-level of parent involvement is once again encouraged as will ensure the active level of supervision required.
