Round 6 Cricket and Volleyball Results - MARC Running Club

From the Head of Sport

As we head into the final weekend of Term 1 sport, we are set up for an exciting round of competition primarily against Villanova College.

Cricket

With wet weather having a significant effect this year, the aggregate competition is extremely close with Villanova and St Laurence's challenging us for the title. The results this weekend will go a long way to determining who will finish on top. Villanova are certainly one of the more competitive cricket schools, and a few premierships will be decided this weekend so we encourage all boys to prepare to perform at their very best this Saturday. We wish all cricketers good luck in their final matches for 2018.

Volleyball

After a fantastic round against St. Edmund's where our teams won 9 of 12 aggregate games, the volleyball program is finishing the season strongly. The clash with Villanova this Saturday will go a long way to determining if we can achieve a top 3 result in the aggregate team competition. We encourage all volleyball teams to finish the season in style with their best game of the year. Good luck to all teams for the final round of competition.

Teams of the Week

Over the course of this term coaches of our cricket and volleyball teams have been nominating teams of the week. In next weeks newsletter we will acknowledge these boys and we hope to present the teams of the season at one of our assemblies next term.

Term 2 Sport

Next week sees the official start of our Term 2 sporting season. All information about training and trial venues will be in this newsletter so please check carefully what days you are trialling and ensure you have the correct gear for your sport. All jerseys for rugby or football can be purchased from the uniform shop and we encourage all boys to organise this before the end of term.

Cross Country

Our program launched this week and is open to all students to be involved so please check the sports newsletter for all training times leading into the holidays and throughout our Easter break.

The end of term is always a busy time as we finish sports and prepare for new seasons. As we head into an important exam time for seniors and assessment time for all students we remind all boys to check information and be organised.

Good luck to all students for their upcoming assessments and for sport this Saturday.

MARC (Marist Ashgrove Running Club)

January - March; Terms

MARC Coordinator: Matt Hayward - haywardm@marash.qld.edu.au

Interested in improving your fitness level? Want to prepare yourself better for your chosen sport? Or do you just love running? The College may just have the club for you. MARC (Marist Ashgrove Running Club) provides you with the opportunity to train with a group of like-minded people to achieve your personal fitness goals.

The club will be active in Term 1 2018, **meeting before school at 7:00am each Monday, Wednesday and Friday at the College Pool (carpark end)**. You can choose to attend one session or all of the sessions available if you wish. After sessions, club members are usually able to use the College Pool for recovery. Basic fitness through to elite level is catered for.

All are welcome to be part of MARC – by all, we mean all students, staff and parents.

You do not have to be part of Cross Country to attend sessions, though many students will use MARC as a preseason to provide a base in preparation for the upcoming Cross Country and Middle Distance seasons.

Like everything else distance running related at the College, MARC now takes a whole-College approach by including our Years 5 & 6 students. Considering the vast differences in age and ability, the younger boys will usually undertake slightly different sessions to the older boys. In the past, the younger boys have been generously supported (and often coordinated) by volunteer-parents – this high-level of parent involvement is once again encouraged as will ensure the active level of supervision required.
