### FINAL TWO WEEKS OF THE SEASON!

Last weekend we hosted SLC in the majority of our competition games and in a massive round of sport at Ashgrove we hosted Friday night chess fixtures followed by 72 matches of football and rugby on Saturday. Following on from Round 4 against St. Patrick's our students were again fortunate to engage in another round of sport where all year levels played at the same venue. These occasions are unfortunately rare in AIC sport these days but undeniably provide a great sense of school spirit from both colleges involved and our clash with traditional rivals SLC lived up to all expectations in this regard.

We would like to thank all the staff, students, parents and families involved in making last Saturday such an enjoyable and successful day. The efforts of our parents and families in supporting our sports canteens was certainly a big highlight of the day and contributed to the strong sense of community spirit evident throughout the day. We hope we can continue this support throughout the remaining two rounds and encourage everyone to be involved where you can.

This weekend we play St Edmund's (SEC) for Round 6 of AIC competition in chess, rugby and football. On the weekend, as expected, St Laurence's had been building up to the round against Ashgrove for many weeks and treated it as a 'grand final'. This is a situation that we face most weeks as opposition schools use Ashgrove as the standard for high performance. It is important that we are well prepared for this and make sure that complacency does not set in.

There are only two rounds left in the Term 2 sporting season and one week of training remains. All boys are asked to step up their efforts another notch to ensure that Ashgrove finishes off the season in our usual manner. At this stage, we are well in contention for the aggregate shield in chess, rugby and football. The results of the final two rounds will have a big impact on the final standings.

As the season draws to a close, please do not forget the efforts of your coaches for the time they have given to you and your team, along with your parents for their time and efforts.

## Sports Canteen Support

As mentioned above, a special thank you to all parents involved in the fabulous response to operating the sports canteens during Saturday's games against St Laurence's. The canteen organisers had never seen so many parents roll up and pitch in – particularly parents who have never volunteered at the canteen previously. This response was greatly appreciated.

Given the great response last Saturday, the canteen staff encourage parents to return and encourage others to give a helping hand. This certainly makes life easier for all concerned and ensures that customers receive their food and drink promptly!

## Cross Country

All Cross Country squad members should be attending at least 2-3 sessions per week. If this is going to be an issue, please keep Miss Deeley or your Age Coordinator informed. We are well aware that many of you are committed to Term 2 Sport – we will be happy to show flexibility as long as you're open with us and you keep us in the loop.

Our training session options are as follows:

**Training A:** Monday & Tuesday mornings – focus will be on race pace development

**Training B:** Wednesday & Thursday mornings – focus will be on short/long hill repetitions

**Long Runs:** Friday mornings – focus is on aerobic running (easy long runs)

We meet at the **Grandstand (McMahon Oval)** for regular training with sessions commencing at 6:45am sharp – please arrive before then so we'll be ready to leave on time (make sure you have your name checked-off with Miss Deeley before the session starts). We have a tradition of playing touch before training – for those interested, this usually kicks off around 6:20am onwards.

We will train every school day of Term 2.
