FINAL TWO WEEKS OF THE SEASON!

This weekend is the final round of the 2018 rugby and football season. The majority of our teams will play against Villanova College, which will be an important round for both sports with many premierships on the line. Our Year 12 students have the opportunity to play their final game of chess, football or rugby at their own school which is always a great way to finish the season and we hope their final game will be something to remember.

Last Saturday's round against St Edmund's College was an extremely successful one in the aggregate competition for both codes, winning 23 matches and only losing 3. As a College, we are in a great position to retain the Rugby aggregate shield for the 19th year in a row and are looking to maintain a top 3 placing in the football aggregate with a strong finish against Villanova.

Last Friday our Chess teams began the weekend of competition with a 4-1 victory across the five divisions away at St. Edmund's. On Saturday, the 1st XV continued their strong finish to the season with another fantastic performance in winning 104-12 over SEC while the 1st XI had a tough game against a solid opposition going down 3-0.

It is important that all Ashgrove teams finish the season with good performances on Saturday. Our final round performances against Villanova College will ultimately determine our aggregate position in both codes. At a time in the year where the impact of high workloads on and off the field begin to take their toll, we are asking players to mentally prepare themselves for one final effort.

THANK YOUR COACHES AND PARENTS

As the season draws to a close, please do not forget the efforts of your coaches for the time they have given to you and your team, along with your parents for their time and efforts in supporting you with your sporting commitments.

Good luck to all teams for the final round!

Cross Country

All Cross Country squad members should be attending at least 2-3 sessions per week. If this is going to be an issue, please keep Miss Deeley or your Age Coordinator informed. We are well aware that many of you are committed to Term 2 Sport – we will be happy to show flexibility as long as you're open with us and you keep us in the loop.

Our training session options are as follows:

Training A: Monday & Tuesday mornings – focus will be on race pace development

Training B: Wednesday & Thursday mornings – focus will be on short/long hill repetitions

Long Runs: Friday mornings – focus is on aerobic running (easy long runs)

We meet at the **Grandstand (McMahon Oval)** for regular training with sessions commencing at 6:45am sharp – please arrive before then so we'll be ready to leave on time (make sure you have your name checked-off with Miss Deeley before the session starts). We have a tradition of playing touch before training – for those interested, this usually kicks off around 6:20am onwards.

We will train every school day of Term 2.
