From the Head of Sport

Last Saturday saw the conclusion of arguably one of the busiest seasons of sport in the College year. We hosted the final round of senior sport against Villanova, and after a competitive round of sport, many premierships and our overall standings in the AIC competitions were determined. After a stellar year in 2017 where the College won both the football and rugby aggregate shields for the first time in 8 years, the competition from several colleges certainly improved to challenge the ongoing dominance of Ashgrove sport.

Aggregate championship winners are determined by the overall performance of our A and B teams from Year 7-12 and for the first time since 1999 we did not win the aggregate shield in the rugby competition. With a strong performance and an amazing final round of sport, Iona College managed to win the rugby aggregate by $\frac{1}{2}$ a point and the football aggregate by 1 point. We congratulate them on this effort and for achieving something that no other College has been able to do over Ashgrove for 20 years in the rugby competition.

With our history of success, it can be a challenge for us to sustain a high level of competition each week when we know all colleges treat the "Ashgrove round" as their grand final. This is a challenge we have traditionally thrived on, one we need to accept and one we will continue to embrace as we aim to lift our standards again in the 2019 seasons.

In a season of many highlights, the success of our 1st XV rugby side in claiming back-to-back premierships with a 69-12 victory in the final round over Villanova was a big highlight. Across the College, we were also successful with eight rugby premierships and two football premierships in the aggregate competition, with three chess premierships in a fantastic season for the Chess program. We congratulate all of the staff and students who were involved in these successes and look forward to celebrating these at our assemblies in Term 3.

Congratulations and thank you to the many students, staff and families all involved in the second term of sport for Marist College Ashgrove. Success in sport can be measured in many ways from the number of premierships and wins throughout the season to the large numbers of participants we successfully manage to retain each year in our sporting programs. We undoubtedly have one of the largest sporting programs in the state and while it can be difficult at times to manage the number of students we have playing sport we pride ourselves on providing all students with the opportunity to play sport.

Thank you to our coaches, including MCA staff, parents and old boys, who are invaluable in their development and support of our students. We thank all parents and families for their support of our program whether it is through involvement in transport, work in our sporting canteens or most importantly through supporting your son in what is one of the most competitive and stressful seasons. Thank you all!

A special mention to the following people who have worked tirelessly behind the scenes throughout the season to ensure that we were able to host rugby and football each week:

Ms Roberta Bannah for her organisation of the various sports canteens, as well as the many parents who have volunteered their time to work in the canteens each Saturday. Roberta has been exceptional for many years in organising these canteens and her ongoing support and dedication ensures the smooth operation of our hospitality on a Saturday.

Mr Russell Randle, Mr John-Paul Stewart, and their staff for all their efforts in setting up and preparing the College's playing fields for use each Saturday. We have undoubtedly one of the premier sporting venues for school sport and with the final stage of the Flats to occur in the near future we will be the envy of many.

Mr Matt Tarlinton, his services staff, and parents involved in the preparation of the Cyprian Pavilion lunches and post-match functions. Our staff from the Tech department for their photography and preparation of post-match presentations for our students. We pride ourselves on providing excellent hospitality to welcome our visiting College communities and this year was no exception.

Cross Country

All Cross Country squad members should be attending at least 2-3 sessions per week. If this is going to be an issue, please keep Miss Deeley or your Age Coordinator informed. We are well aware that many of you are committed to Term 2 Sport – we will be happy to show flexibility as long as you're open with us and you keep us in the loop.

Our training session options are as follows:

Training A: Monday & Tuesday mornings – focus will be on race pace development

Training B: Wednesday & Thursday mornings – focus will be on short/long hill repetitions

Long Runs: Friday mornings – focus is on aerobic running (easy long runs)

We meet at the **Grandstand (McMahon Oval)** for regular training with sessions commencing at 6:45am sharp – please arrive before then so we'll be ready to leave on time (make sure you have your name checked-off with Miss Deeley before the session starts). We have a tradition of playing touch before training – for those interested, this usually kicks off around 6:20am onwards.

We will train every school day of Term 2.
