

Weekly Sports Report 20 September 2018 - Term 3 - Week 10 Inside this edition

From the Head of Sport - Water Polo Sign-On - 1st V Basketball Report - Basketball Team of the Week
Continued Success for MCA Track & Field Athletes - Track and Field Information
Changes to AIC Sport 2019 - Basketball & Tennis Results

From the Head of Sport

Last Saturday saw the completion of the AIC basketball and tennis seasons for 2018. This also concluded our Saturday sporting program and leaves track and field as the major sport remaining for the year with water polo also being held in October. Water polo details are yet to be sent through and we will upload these to the College APP when we receive them from AIC.

Our basketball teams had a tough final round against Villanova. Although Villa won the aggregate matches 8-4, our teams can be proud of the effort put in on the weekend against the champion basketball college. Our 1st V basketball were once again Ashgrove's standout team this season, winning their third premiership in two years (undefeated). Thank you and congratulations to coaches Mr Dean Aspland and Mr James Lidstone for all the work that they have done to achieve this result. (Please see later in The Buzz for the match report).

In Tennis, our teams had a great end to the season, winning 11 out of the 13 aggregate matches played. The 1st IV, unfortunately, had a close loss to end the season but with all boys back again next year we are looking forward to their development in 2019. Thank you to Mr Allan Say for all of his effort in preparing the team for the 2018 season.

Congratulations to all students who represented Ashgrove over the past season and continued to maintain the high standards of MCA sport. We also congratulate our Senior students on the way they concluded their final Saturday sporting commitments. The 2018 Senior students can be very proud of their involvement in MCA sport and have been exceptional for the entire year. We look forward to wrapping up their year in greater detail next term.

Thank you very much to all of our coaches and staff who worked tirelessly with the preparation of our teams throughout the week and on game days. Your efforts in working with our students are greatly appreciated.

In Tennis we thank Mr Allan Say for convening the MCA tennis program this year and also for his coaching of our Open Tennis teams. Thank you also to Mrs Rebecca Taylor (Years 11 & 12), Mr Laurie Boustead (Years 9 & 10), Mr Ben Webb (Years 7 & 8) and Miss Jess King (Years 5 & 6) who managed our tennis teams this year in a very professional and enthusiastic manner (final tennis results are later in The Buzz).

Thank you to Mr Michael Connolly who coordinated the basketball program this year with great support from Mr Bas Pelly as assistant coordinator. The final places in the aggregate competition have been extremely close for a number of years where the difference from 2nd to 5th can be determined by

WET WEATHER

It is inevitable that the weather will cause some games and training to be cancelled.

Parents and students are encouraged to download the MCA App for the most up to date announcements regards training and games.

From the Head of Sport

results from 1 or 2 matches across the season. Our final position of 4th maintained our position from 2017 with a mere 2 points separating 2nd, 3rd and 4th. With strong improvements across the program this season we are certainly looking forward to climbing the ladder in 2019. I also thank Ms Jessica King for her work in the internal basketball competition held on Friday afternoons. This competition had one of the best levels of participation we have seen in years and was a great opportunity for students to engage in basketball outside of the AIC competition. The final results are listed later in The Buzz.

See next page for a breakdown of list of premiership teams in basketball and tennis.

David Miles - Head of Sport

Individual Achievements

Congratulations to:

- Liam O'Kelly who recently became the Under 17 Australian Powerlifting Champion. In doing so, Liam broke the world record for his age group!

A phenomenal effort and a great reward for fantastic dedication and commitment to his chosen sport.

Water Polo Sign-On

The AIC Water Polo season will again run in term for with a combined Years 7-8, Years 9-10, Years 11-12 teams participating. If you are interested in playing Water Polo in Term 4, please click on the link below to sign-on.

Water Polo Sign-on Form - <https://bit.ly/2lsoxso>

1st V Basketball Report

The 2018 1st V basketball season was coming to a close and the team had one more challenge to overcome out at Villanova if they were to be crowned Undefeated Premiers for 2018. The atmosphere at Villanova College was intense and the boys had to push through to reach the desired result. It was clear that the winner would be the team that simply worked the hardest. It wasn't a case of running the most succinct plays, but more about execution and winning every individual battle with your opposing player. With Tom Connolly and Hamish Geary both sustaining ankle injuries the week before, the team knew they all had to dig deep. The scores were close at the end of the first half and the squad knew they had to stay in the contest. Thankfully, the points began to flow thanks to solid contributions from the bench which allowed the starters a rest before heading back out and extending the lead even further. The squad reached the goal they set at the start of the season... AIC Champions! A win by to MCA 69 – 46.

The last quarter was something special for the Year 12 players in their last ever match in the blue and gold. They were subbed out one by one, with "you raise me up" echoing throughout the Villanova hall thanks to our ever-present band of supporters. It's a moment that will never be forgotten by the boys.

To Hamish Geary, the 1st V captain, we thank you for your contribution to Marist Basketball over the last three years. His record of three premierships with 20 wins and one loss in the 1st V team will stand for a long period of time and he is to be congratulated.

1st V Basketball Report (continued...)

To head coach Mr Dean Aspland, and assistant coach Mr James Lidstone, your knowledge of the game and passion for the sport has allowed the team to grow and improve out of sight. Your love of basketball has rubbed off on the squad this year and we thank you for everything you have provided us on and off the court.

The 1sts V squad would like to thank everyone for all the support they received this year from students, past and present, staff and extended family. You created the atmosphere that pushed the team that little bit further and harder and we thank you for it wholeheartedly.

This dominant era of Marist basketball has been a pleasure to be a part of, and we hope this dominance will continue into the future, with the mighty Blue and Gold always being the team to beat on the basketball court.

Thank you, 1st V 2018 Squad

1. Ben O'Rourke	2. Ben Geraghty	3. Struan Kerr	4. Charlie Ryan
5. Tom Pfizer	6. Aiden Gibbons	7. Spencer Mahoney	

Continued Success for MCA Track & Field Athletes

Congratulations to the boys that represented our College last Saturday in the South QLD school's NITRO Athletics Competition. This year we had teams competing in the Junior (14yrs & under), Intermediate (15-16 yrs) and Senior (Opens) divisions with all three of our teams placing and securing medals. The annual Schools NITRO competition is a new format of team competition that continues on from the previous Schools Knockout competition. Teams of 7-11 students join together to compete for points based on their performances. All students performed exceptionally with numerous personal bests recorded across a range of events. With several younger athletes competing in older competitors it was a great day of performances.

Our teams should now automatically qualify for the National championships in Cairns in early December. Congratulations to all involved on an awesome achievement!

The teams and their results are listed below:

- Junior Team (2nd place)
- Tom Prole, Sam Keogan, Dan Meggitt, Max Strathearn, Tom Dempsey, Tom Horton and Jake Sturmer
- Intermediate Team (3rd place)
- Will Lee, Hamilton Burns, Sam Vosper, Tyler Galligan, Henry Meland, Cross Wiltshire, Nick Baker, Carl Martin, Floyd Aubrey, Mason Tong
- Senior Team (2nd place)
- Seb Leavy, Josh Beale, Nick Schmidhauser, Tom Vosper, Will Bennett, Archie Marles, Liam O'Kelly, Josh Betts

Well done boys!!

Thank you also to Mr Henry Gilbert, Mr Connor O'Leary, Mr Robin Martin, Mr Andrew Fogarty, Mr Brett Leavy, Mr Des Davis and Old Boys Luka Apps, Will Whitchurch and Connor Lynch who graciously gave up their entire Saturday to help prepare our boys.

Track and Field

As we move towards the business end of the season, it is only four weeks remaining until our team is selected. With two weeks of holidays and then only three weeks in Term 4 to get ready, our organisation is very important.

HOLIDAY TRAINING

Within this last four weeks, our preparation is always disrupted by the upcoming holidays. Yes – holidays are awesome and we definitely need to enjoy this time off from being a students and also teaching!! While we are having our holidays, however, it is still possible to at least maintain our hard-earned fitness for the upcoming championships as well as have plenty of time to enjoy ourselves.

In 2017 and 2016 the attendance at holiday training was excellent and we hope to see heaps of boys attending again this year. Please see the schedule attached and make a big effort to be at training where possible.

TRACK & FIELD CAMP (Friday Sept 21 – Sunday Sept 23)

Best wishes to the students and staff attending this weekend's camp. It is great to see so many boys committing to the camp ahead of the break and we hope they enjoy themselves immensely.

SELECTION

As track and field is a performance-based sport, the major selection methods for our final team will be through performances at all meets this season (Met North, Schools Nitro Competition, holiday meets and AIC competitions). All students involved in the program have been superb with juggling their commitments to training and this season has continued the growing enthusiasm of recent years. With only a few sessions remaining you cannot afford to be missing any training!!

As part of your selection in this squad you are expected to attend all training sessions outlined in the calendar following for your events unless you have notified your coaches of a prior important engagement. We encourage all boys to organise other arrangements outside of your training times where it is possible please.

FINAL SELECTIONS

Final selections will be based on performance, attendance at training and what is in the best interest of the entire squad (e.g. some boys may be asked to do events they are not necessarily training for and they are the best we have).

FINAL AIC event selections will be made after AIC MEET #2 (Thursday night October 18).

There are 138 events contested at the AIC Championships and over 90 students will compete for Marist College Ashgrove at this competition. Every student's contribution is extremely valuable and as a result any improvements we can make over the remaining 4 weeks are vital to our chance of success.

Good luck to all students for the remaining weeks of training and competition.

NOTES REGARDING CALENDAR FOLLOWING IN THE BUZZ:

Term 4 Training – COMPULSORY. There are no other College sports on and this is our priority.

We have listed all training days just so all boys understand when they are on. Each specific group will have their own training days and coaches will liaise with boys about when this is.

Team Meeting

There will be an important team meeting on the first day back at school. Here we will commence our final preparations and give boys all information regarding AIC competitions and the remaining 3 weeks.

UQ Holiday Meets

These meets are part of our preparation and if boys are available we would like them to attend. We have usually had numbers in excess of 40 athletes at each of these meets and we hope to do the same again this year.

There is NO COST for boys in this meet as we cover that through the College. Wear – College athletics singlet.

Changes to AIC Sport 2019

As you would be aware, 2019 will see the introduction of AFL (Term 1) and Rugby League (Term 3) as part of a 2-year trial in AIC sport.

Our normal AIC sport program will continue as usual and in no way will the introduction of new sports seek to diminish or detract from what we currently do. Our focus remains heavily on maintaining and continuing to develop the traditional high standards of our College sporting program.

A primary focus for our program will also be on managing student welfare and ensuring students are not overloading themselves with too many commitments.

All students will be expected to maintain their usual commitments to our current sports and our College policy of students "bringing their talents forward" will continue to apply.

TERM 1	TERM 2	TERM 3	TERM 4
Swimming	Cross Country (Championships)	Basketball	Track & Field (Championships)
Cricket	Rugby Union	Tennis	
Volleyball	Football (Soccer)	Rugby League	
AFL	Chess	Track & Field (begins)	
Cross Country (begins)			

Major Changes for 2019

- Trial sports of AFL and Rugby League
- Cross Country moved into Term 2

All Sports will be played on a Saturday except for:

- AFL: Years 8-9 and Opens (Years 10-12) will play on a Friday night. Year 7 will play on a Saturday morning
- Swimming and Track and Field: Friday night practice meets with a mid-week Championship Day/s
- Cross Country: Mid-week practice meets and a mid-week Championship Day
- Water Polo will be offered but will be run as a 1-2 day tournament
- Golf will also be offered in the current format of a 1 day competition

Sign-ons are now taking place for Term 1 sport with pre-season to begin in Term 4. Please see below for links to the respective sign-on forms.
