

Marist Schools Australia Accreditation

Marist Schools Australia (MSA) is the governing body for Marist College Ashgrove.

MSA requires all staff to hold qualifications aligned to their level of responsibility. Annual currency hours should be undertaken by each staff member as specified. The College provides opportunities for the maintenance of currency wherever possible.

Teachers of Religious Education and middle leaders require qualifications including at least 4 postgraduate units in religious education, theology and/or Catholic school leadership. [For teachers of Religious Education, the Archdiocese preferences the Graduate or Postgraduate Certificates of Religious Education.] Where they do not hold these qualifications on appointment, they will be required to attain them.

Senior leaders require a Master's degree which includes at least four units of theology, or be enrolled in such a course.

Financial assistance is provided to eligible staff.
