The Child and Youth Risk Management Strategy Toolkit outlines a number of specific issues that, if relevant to the College, require the development of specific policies or guidelines that outline the College's expected standards of behaviour with respect to these issues. Marist College Ashgrove's

Marist Child Safe Adult Code of Conduct and Staff and Student Professional Boundaries policy cover many of these issues. However, the College considers that the following issues are relevant to the College, and as such require more in-depth and specific policies and guidelines. The following matrix sets out the relevant policies and guidelines that establish the expected standards of behaviour in these specific circumstances:

Behavioural Issue	Guidelines/ Policy
Supervision of Children	Supervision (General)
Behaviour Management	Student Code of Conduct Assault (Student Against Student) Truancy Bullying Prevention and Intervention

Transport of Children and Young People	Transport Safety Policy
Managing Injuries or Illnesses	Medication Administration First Aid Accident Management
