This policy outlines the process and procedures with regards to privacy of personal information collected by Marist College Ashgrove for prospective families and students.		

**A copy of this policy is provided to the parent(s)/legal guardian(s) if the student is under age 18 years at a reasonable time prior to a Written Agreement being signed, and again during Orientation (or within 7 days of the commencement of student attendance of the enrolled course).**

Marist College Ashgrove has a fair and transparent process for dealing with student grievances. In the event that such grievances cannot be resolved internally, Marist College Ashgrove will advise students of the appropriate bodies from whom they can seek further assistance.

### Purpose

- a) The purpose of Marist College Ashgrove's Complaints & Appeals Policy is to provide a student or parent(s)/legal guardian(s) with the opportunity to access procedures to facilitate the resolution of a dispute or complaint. Students should first try to solve problems through the College's Internal Grievance Procedure Policies.
- b) The internal complaints and appeals processes are conciliatory and non-legal.

### 1. Complaints against other students

- a) Grievances brought by a student against another student will be dealt with under the school's Behaviour Policy/Code of Conduct.

### 2. Informal Complaints Resolution

- a) In the first instance, Marist College Ashgrove requests that there is an attempt to informally resolve the issue through mediation/informal resolution of the complaint.
- b) Students should contact their Head of House in the first instance to attempt mediation/informal resolution of the complaint.
- c) If the matter cannot be resolved through mediation, the matter will be referred to the Head of College and Marist College Ashgrove's internal formal complaints and appeals handling procedure will be followed.
  - For **academic/subject** concerns, the student should see his Pastoral Leader or EAL/D Teacher.
  - For **boarding** concerns, the student should see his Resident Coordinator.
  - For **personal** concerns, the student should contact a Student Counsellor.

### 3. Formal Internal Complaints Handling and Appeals Process

- a) The process of this grievance procedure is confidential, and any complaints or appeals are a matter between the parties concerned and those directly involved in the complaints handling process.
- b) The student must notify the College in writing of the nature and details of the complaint or appeal.
- c) Written complaints or appeals are to be lodged with the Head of College.
- d) Where the internal complaints and appeals process is being accessed because the student has received notice by the College that the College intends to report him for unsatisfactory course attendance, unsatisfactory course progress or suspension or cancellation of enrolment, the student has twenty (20) working days from the date of receipt of notification in which to lodge a written appeal.
- e) Complaints and appeals processes are available to students at no cost.
- f) Each complainant has the opportunity to present his complaint or appeal to the Head of College.
- g) Students and / or the College may be accompanied and assisted by a support person at all relevant meetings.
- h) The formal internal complaints and appeals process will commence within 10 working days of lodgement of the complaint or appeal with the Head of College and will be finalised within 20 working days.
- i) For the duration of the internal complaints and appeals process the student's enrolment will be maintained, as required under the National Code of Practice for Providers of Education and Training to Overseas Students 2018 and the student must continue to attend classes.

However, if the Head of College deems that the student's health or well-being, or the well-being of others is at risk he/she may decide to suspend or cancel the student's enrolment before the complaints and appeals process has been accessed or fully completed. In such cases, the student may still lodge a complaint or appeal, even if the student is offshore.

- j) Once the Head of College has come to a decision regarding the complaint or appeal, the student will be informed in writing of the outcome and the reasons for the outcome, and a copy will be retained on the student's file.
- k) If the grievance procedure finds in favour of the student, Marist College Ashgrove will immediately implement the decision and any corrective and preventative action required and advise the student of the outcome and action taken.
- l) Where the outcome of a complaint or appeal is not in the student's favour, the College will advise the student within 10 working days of concluding the internal review of the student's right to access the external appeals process.
- m) However, the College is only obliged to await the outcome of an external appeal if the matter relates to a breach of course progress or attendance requirements. For all other issues, the College may take action (including making changes to the student's enrolment status in PRISMS) in accordance with the outcome of the internal appeal.

### 4. External Appeals Processes

- a) If the student is dissatisfied with the conduct or result of the internal complaints and appeals procedure, he may contact and / or seek redress through the Overseas Students Ombudsman at no cost. Please see: [International student complaints | Commonwealth Ombudsman](#) or phone 1300 362 072 for more information.
- b) If the student wishes to appeal a decision made by Marist College Ashgrove that relates to being reported for a breach of course progress or attendance requirement (under Standard 8), the student must lodge this appeal with the Overseas Student Ombudsman's office within 10 working days of being notified of the outcome of his/her internal appeal.
- c) If the student wishes to appeal a decision made by Marist College Ashgrove that relates to:
  - i) refusal to approve a transfer application (under Standard 7), or
  - ii) suspension or cancellation of the student's enrolment (under Standard 9)

any choice to lodge an external appeal with the Overseas Student Ombudsman is at the student's discretion. The school need not await the outcome of any external appeal lodged, before implementing the outcome of the internal appeal.

### 5. Other Legal Redress

- a) Nothing in the College's Complaints & Appeals Policy for International Students negates the right of any Overseas Student to pursue other legal remedies.
